

*It's easy to
compose music!*

- Come have fun with kids at our school
- We will give you a video game or silent movie clip that needs music—you'll pick one and write the music
- Write the music for yourself and/or share it with others across the US and the world
- Let's have a concert at the end of the year
- We can play your music with instruments or you can share your piece online

**Come hang out on _____
in Room _____ with _____**
